Re: More Affordable Childcare and ECCE Fees for 2017 - 2018

Dear Parent(s)/Guardian(s)

Following on from my letter dated 19th June regarding the DCYA's comprehensive new scheme for financial funding for families I would like to outline the various options that are available to families attending Tallaght Childcare Fettercairn under the new fee structure. Please take the time to read this document as it could mean you are entitled to much lower childcare costs.

The cost of a full-time childcare place in Tallaght Childcare Fettercairn has increased to €195 per week from 21 August 2017. Various subvention options are available under the More Affordable Childcare Scheme and the ECCE Scheme which is detailed in the attached flyer.

If you have any questions or need clarification on what band you may fall into please feel free to contact me directly.

Yours sincerely
